30<sup>th</sup> September 2013

### T2 UK Food & Beverage M&A Activity

Oghma Partners is pleased to announce the release of the latest M&A review covering the Food and Beverage industry for T2 2013. The period was relatively quiet with M&A activity in Europe down 14% by volume. Activity within the Food and Beverage Sector was particularly slow, with the notable exception of the £100 million sale of Tyrell's Crisps to Investcorp.

The remainder of 2013 looks to be significantly more active with several high profile deals already announced.
