Oghma Partners 2013 M&A Review & 2014 Outlook

The Oghma Partners 2013 M&A Review & 2014 Outlook is due to be published shortly.

The report analyses investment deals in the food and beverage industry from the past year as well as providing an outlook for 2014. It suggests that interest in the industry is set to rise, following a relatively quiet period in 2013.

The report also predicts that overseas buyers could account for a higher percentage of transactions in 2014 than in 2013.
