### Oghma Partners Announces Sponsorship of the 2014 Food Manufacturing Awards

Oghma Partners, the Food & Beverage focused corporate finance boutique, today announced it has renewed its sponsorship of The Food Manufacturing Awards for 2014. As in the previous two years Oghma Partners will sponsor the key award, 'The Company of The Year.' The sponsorship follows the Oghma Partners philosophy of giving support to the UK food and drink industry which, along with overseas food & beverage businesses, provides the mainstay of the client base. Other similar initiatives undertaken by the firm include offering an annual summer internship to undergraduates who have an interest in the food are looking to gain an entry into the financial services industry.

Commenting on their renewed sponsorship Paul Wilkinson, Chair of the Awards Judges Panel said, *"We are delighted that Oghma is continuing to support the Awards and the industry as a whole. Their commitment plays a valuable part in ensuring that the importance of a successful food manufacturing sector retains a high profile amongst all our stakeholders."*
