Press Release

28th January 2016

UK Food & Beverage Sector: Record high deal value in Food & Beverage M&A in 2015

The Oghma Partners UK Food & Beverage Sector M&A Review for the third tertial of 2015 is due to be released shortly.

The review looks at activity in the UK Food & Beverage sector for the last four months of 2015, highlighting how the market has enjoyed a five year high in deal value in line with the wider global M&A market trend in 2015 and looking into the underlying trends which have supported this.

For further detailed analysis, to request the review or for further information on Oghma Partners, please contact us via our “Contact us” link on our website, or using the contact details below. We would also be pleased to add you to our mailing list for future updates.
