UK Food & Beverage Sector: Beverage Sector Particularly Buoyant

Oghma Partners LLP is pleased to announce the release of the T3 2015 M&A Review of the UK Food & Beverage Sector.

Our review offers a detailed analysis of activity in the UK Food & Beverage sector for the last four months of 2015, including an overview of the buoyancy of interest in the UK beverage industry. This has been demonstrated by the number of deals jumping from 10% in 2014 to 22% in 2015, when measured as a percentage of total UK deals.

Please contact us to enquire about the review, to request a copy and to be put on our mailing list for future updates.
