UK Food & Beverage Sector: Food and Beverage M&A at Record Levels

The Oghma Partners UK Food & Beverage Sector M&A Review for the first tertial of 2016 is due to be released shortly.

The review looks at activity in the UK Food & Beverage sector for the first four months of 2016, highlighting how the market has enjoyed its most active period since 2007 and looking into the underlying trends which have supported this.

For further detailed analysis, to request the review or for further information on Oghma Partners, please contact us via our “Contact us” link on our website, or using the contact details below. We would also be pleased to add you to our mailing list for future updates.
