UK Food & Beverage M&A – Overseas Buyers in Retreat During Covid Restrictions

For the period between May and August 2020 (“T2 2020”), the proportion of investment from overseas has declined when compared with previous years. Oghma expect the number of investments from overseas to remain low in the short terms, due to Covid-19 related travel restrictions and the continued uncertainty surrounding the UK’s Brexit deal negotiations.

To receive a copy of our M&A review, further analysis and to be put on our mailing list for future updates please do contact us.
