Oghma Partners LLP (“Oghma Partners”) is pleased to announce its role as financial advisor to AAK AB (“AAK”) of Sweden on the acquisition of BD Foods Limited (“BD Foods”) of the United Kingdom from shareholders John Davis and Clive Barker.

BD Foods, located in St Leonards-on-Sea on the south coast of England, was established in 2001 and has approximately 100 employees. The company is focused on food ingredients for the foodservice industry, and has a portfolio of over 3,000 products that are sold to a wide range of customers, including restaurants, hotels, airlines, wholesalers, and food manufacturers. In 2018, it had revenues of approximately SEK 120 million.

“By acquiring BD Foods, we will extend our foodservice range with, for example, dip pots, pouches and hot filled products”, says René Schou, President Foodservice at AAK. “We will furthermore increase our capabilities and broaden our product portfolio which will give us a far greater access to some key operators in the foodservice market.”
