

**Oghma Partners advises Greencore Plc on the sale of the Minsterley site and chilled desserts business to Müller Dairy UK**

Oghma Partners is pleased to announce the completion of the disposal of Greencore's Chilled Desserts facility in Minsterley to Müller Dairy UK. The Minsterley business was acquired by Greencore upon the acquisition of Uniq Plc in September 2011. Prior to acquisition Uniq had announced a planned 2012 closure of Business Unit 1 and Business Unit 2 at the loss making site and related redundancies of 350 staff. Since the acquisition Greencore has been working on finding a solution for the site that addressed the concerns of all stakeholders in the business including the staff at Minsterley.

Oghma Partners acted as exclusive financial advisor to Greencore Group plc during the transaction, which was announced in June 2012.
