UK Food & Beverage M&A Activity Noted a Recovery in Deal Volume and Value Whilst Bigger Deals Were Still Lacking

Oghma Partners is pleased to share the release of its review of the latest Mergers and Acquisition activity within the UK Food and Beverage Industry.

Oghma's outlook for the remainder of the year continues to be positive, at least, from a deal volume standpoint. The recovery seen in activity is likely to be aided by easing food inflation in output and input. Consumer demand has remained steady and this helps provide reassurance to buyers.
