A Positive Outlook for UK Food & Beverage M&A Activity After a Strong Start to 2025

Oghma Partners is pleased to share the release of its review of the latest Mergers and Acquisition activity within the UK Food and Beverage Industry.

Looking ahead, deal volumes are expected to remain strong, with transaction values likely to improve gradually as economic conditions stabilise. However, the pace of recovery may be tempered by renewed volatility in global markets, including uncertainty from proposed tariff policies emerging from the U.S.A. and ongoing geopolitical tensions.
